# Class Song

Tune: Forever and Ever

Forever and ever, our hearts will be true.  
Schoolmates, forever, we'll long for you.  
We now are so sorry, that we now must go.  
Famu, our thoughts of you, show love that  
e'er will grow.

Chorus:

The fun we have shared here together, will  
serve as a sweet memory,  
So let's tell the school of our true love  
divine.  
Forever and ever we'll be thine.

-2-

Good-bye dear old Famu, we've worked as  
a whole.

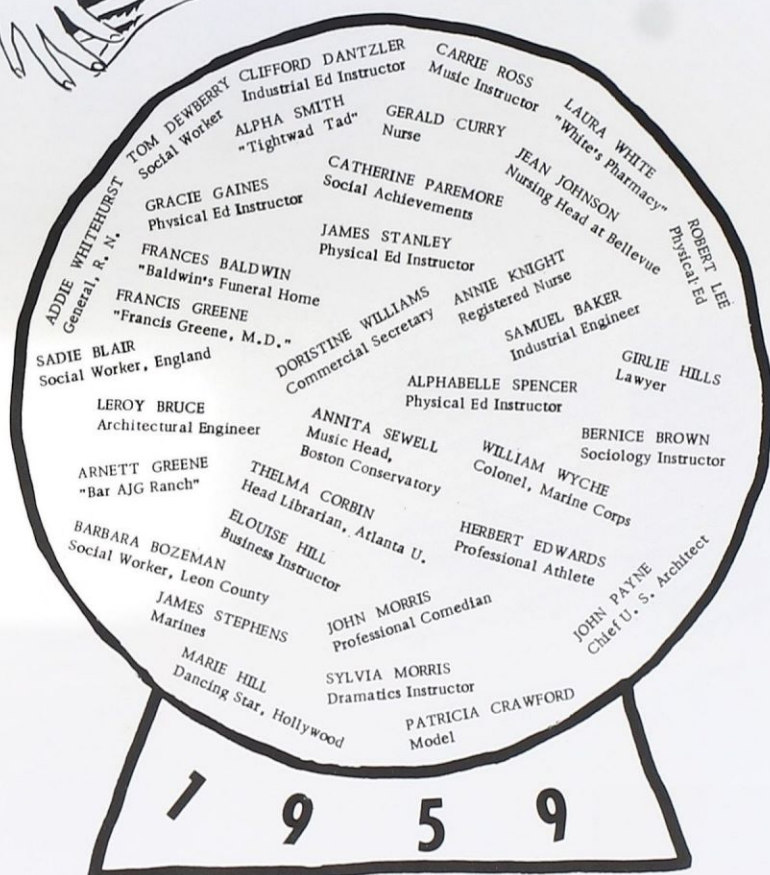

We're striving, praying, to reach our goal.  
We've started our growing, right here at  
your feet.

We know that someday, we again will surely  
meet.

Jolly, Jolly Juniors We  
Learning's Highroad treading  
Looking forward, moving on  
Never dangers dreading.  
Our tasks we never shirk  
Never dodge our duty  
Always striving to attain  
Lives of worth and beauty.  
Section A and Section B  
One in mind are ever  
With a bond of strongest love  
Years will fail to sever.

We are faithful to our pledge  
Chosen in grade seven;  
We have kept it through the years  
Up through grade eleven.  
In grade twelve it will guide us  
It will yet our slogan be.  
We'll "Know something know it well"  
We'll strive for victory.  
We'll "Do something do it well"  
On our way we'll never falter  
We will be somebody in this world  
Our plans we'll never alter.
