Florida's Official Source for Responsible Use

Know the Facts:
Patients

HOW IT WORKS

1 A qualified physician diagnoses a patient with a qualifying medical condition.

If the patient is younger than 18 or terminal, a second physician must concur and this determination must be reflected in the patient's medical records.

2 The physician enters the patient's information and order into the Medical Marijuana Use Registry.

If the patient has a caregiver, they must also be added in the registry.

3 The patient and their caregiver must then apply for a Medical Marijuana Use Registry Identification Card.

4 The patient may fill the physician's order at any approved Medical Marijuana Treatment Center or via delivery.

A Qualified Patient Must:
