Medical Marijuana is in the news! As the use of both prescribed and illegal marijuana becomes more prevalent in our society, many questions have arisen as to how marijuana can and should be used. This is your chance to ask questions and get answers from an expert panel on:

- difference between medical marijuana and illegal marijuana
- qualifying conditions of medical marijuana
- necessary steps to access medical marijuana
- consequences of illegal use of marijuana
- socialization of legal marijuana
- criminalization and decriminalization

PANELISTS:

Cynthia Hughes Harris, PhD
